Jaisalmer: Chairperson of Rajasthan State Human Rights Commission, Justice GK Vyas recently visited the Jawahar Government Hospital in Jaisalmer to inspect the arrangements for the treatment of Covid-19 & other patients. During his visit, Justice Vyas also acquired information

about the availability of medicines, state of cleanliness at the hospital & saw whether the hospital authorities were following Covid-19 guidelines issued by government strictly or not. After inspecting all the wards, Justice Vyas said that Covid-19 situation is under control due to incessant efforts put in by the doctors, but still fa-

cilities of specialised doctors is needed. He further added that besides the efforts of medical experts & local administration, public is also required to follow Covid-19 guideline to stay safe from infection & appealed to NGOs & other social organisations to come forward to motivate the masses to follow Covid-19 norms and save lives.
